## DMCK EVENTS & ACTIVITIES

### AMAZING RACE RARO STYLE

Break into teams to battle it out, through finding clues, enduring physical challenges and problem solving. Experience a touch of culture, a few splashes of water, a taste of Polynesian adventure and a whole heap of fun. Highly recommended for team building, incentive teams and anybody looking for adventure in the tropics.

### TROPICAL NIGHTS

An enchanting dinner experience set in the highlands of Rarotonga, close to an ancient Marae site amongst beautiful gardens with panoramic views to the sea. Dinner is local fare served buffet style to the rhythm of island drums and Cook Island dancers. A great way to absorb the atmosphere of the Cook Islands.

### AITUTAKI DAY TOUR – 8HRS (FULL DAY)

Aitutaki is just 45mins flying time from Rarotonga and evokes all the magic of a south seas experience – turquoise lagoon, alluring white sand beaches, tranquility and beauty. Take a visit of the island by open-air bus, then board a catamaran for a spectacular cruise out on the lagoon for snorkeling, fish feeding and beach-combing. A sumptuous BBQ lunch of fish, fresh tropical salads and beverages are served leaving the afternoon to spend your time in the water or on the white sandy shores soaking up the sun.
